Presidents report, Fay,

Hi to all our fellow members and potential members. Allora proved to be a wonderful spot with lots to do in the surrounding areas. A big thank you to Carolyn and Denis for organising our guest speakers with Bob Stafford being of great assistance to all with his advice with awnings and of course John and Eileen were so proud to show off their adopted family.

It was in March last year that three couples got together and decided to form a new Club. It sure has been an amazing learning experience. Our main objective for the first year has been to make each rally fun for all and a bonding experience for all our members.

So at Mullumbimby we want to celebrate with our First Birthday Party. Please come along and join in all the fun. We will be planning a birthday dinner on the Saturday night. (no cost to our members). Please wear your best party gear and smile. Winton and Robyn will be back from their Tasmanian trip and will have lots of fun organised for us. Don't forget this means it is the end of our financial year and annual fees will be due. More about this later in the newsletter.

In the meantime please keep well. To those who are under the weather get well soon.
See you all then, love, Fay

A BIG WELCOME TO OUR FIRST TIMERS.

SUE & BARRY -SUZIE & KEVAN ALSO RAY

The Red Carpet is yours.

We hoped you enjoyed yourself as much as we liked having you with us: Please come again.

Guest speaker Bob the Awning Man with his Wife Jenny.

Just so good to have an on site Demo & maintenance tips apart from all the little Fix a little hole here & slight adjustment their. Thank you. Your book on what to do and how to do is very handy. Thank you.

Dennis said Bob replaced his Awning Arms. He was very please as its been a while.

Friends of the Hounds Eileen & John, Gave us a talk about the history of Grey Hounds with a outline of what is happening now.

While we had three to pat & walk it was the Black one that took my eye. He was jet black & his coat just shor too.

We hoped they enjoyed the week end with us, come again, we could use a good Bingo caller.

Next time make sure my numbers are in the wheel I never had a win all night.

Winners :- That Gary "two", Bonnie, Dennis & Juliet. Still it was great fun. Thanks to all who helped.

Lyndell,

It would seem that the bracelet making was a big hit. Apart from the smiles the adornment looked so smart. Now ours takes place of honour on the dresser. I like the colour & the smile??????

CONGRATULATION.

THINK SAFETY -THINK TYRES.

Well, it was so good to see Julie, Bella & Billy when they finally arrived at our Allora Rally. What an unpleasant experience, let us all play safe and check our tyre dates.

This is the third time this has happened.

_ Road tyres have a manufactures date on them (Yes it might be good to write it in the Diary) from that date life expectancy is based maybe three to five years.

Now most Caravans & Rvs do more sitting than travelling so the tread looks good but its the composition that started to break down.

Also note the danger one faces on having to change an outside wheel on the motor way, one can understand why the RACQ say it has to be transported to safety & then the wheel changed.

WORTHY OF NOTE

We should have a tyre man out to update us all.

Barry or his Son could be our man? **" A" Well Please.**

STILL ON SAFETY.

Caravanning Queensland in conjunction with Department of transport & main roads the RACQ, Queensland Police Service & the Queensland Gas & Petroleum Inspectorate held FREE SAFETY CHECKS.

Saturday March 28th 2015 8-3 pm at the BRISBANE SHOW GROUNDS.

BOOKING ARE LIMITED. Register your interest by emailing: info@caravanqld.com.au

Note. No charge and inspectors will not be issuing any breach notices.

Yes, I know this is out of date, but it shows what the authorities are thinking.

Love to know the results.

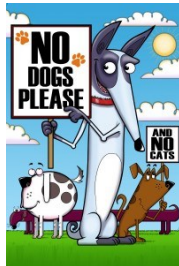

Lyndell.

Is still working on the Recipe Booklet and ask that you let her have a copy of your recipe so she can take advantage of all the great food you cooked at the feast. Thank you Lyndell.

Check out some of these things to at Mullumbinby.

Friday 7—11 am. The Food Markets come to us at the Showgrounds.

Sat. Mullum Hippy Markets .

Car pool to Brunswick Heads .26 café– restaurants, Lunch / coffee. Great fish & chips & bakery. Your choice!

Note.

When walking around the Markets have a look at what you can make or do for our **Jabiru Club stall in Stanthorpe.**

APART FROM BEING A LOT OF FUN MAKING & SELLING THINGS ITS OUR CLUBS MAIN FUND RAISING EVENT.

**BACKING UP WITH A CARAVAN OR BOAT.**

It would seem that the drivers in Europe need help when backing up with a caravan on.

In fact the demand is such that VW have installed hands off steering wheel when reversing with a caravan on.

Driven by the cars brain the driver needs only control the throttle & brake, after the angles have been dialled in .

Reversealertaustralia.com.au is developing a reversing sensors that can be fitted to trailers or caravans.

When the sensors detect an object the brakes are automatically applied. Handy for tight parks.

As for me, I think at this stage I will stay with my wife directions. Thank you.
