STORK TALK

HARRISVILLE.

What a pleasant setting with the weir water lilies in their prime, the old railway coaches on the top side and the tree shade on the lower for our get together. The convenience of food & drinks on call at the Hotel.

18 vans in wagon style round the two marques for our guest speaker & our Irish dinner.

No one could expect more from a free site location.

O dear, so sad about the aroma. Not nice! Sorry.

"Just not suitable for larger groups."

Presidents report.

Hi All,

As our second successful year comes to a close, I can't help but reflect on the last 2 years and see that the main reason we have such a great club is because of our wonderful members. I can see so many friendships forming in the club between people who didn't know each other 2 years ago. That is what the club is all about. I thank each and every one of you for your continued support and friendship.

Our birthday celebrations will be at Lowood and Sue and Barry and Hazel and Wayne are putting a lot of effort into making the weekend very memorable. The Lowood Show Society will be catering for us so we all can enjoy the Saturday night. There is no cost to our members for this meal.

We have been asked to bring along a surprise parcel with the value being up to \$5.00. Another thing to keep in mind is that we have been asked to wear semi-formal for the night. That will make a change from the black and white.

Just a reminder that our annual meeting will be held at Redcliffe in May. Nominations for committee positions must be on the board by midday Saturday of the Lowood rally. Don't be shy. If you feel you would like to give your time and ideas to the club, having a position on the committee is a great way of doing it. The club will benefit from changes to committee positions periodically because it injects new ideas and enthusiasm. Please give it some thought.

Thank you to all who have already paid their annual fees. For those who were not able to attend the Harrisville rally, the fees are due by the end of April. Members must be financial to vote at the annual meeting.

I look forward to seeing everyone at Lowood so please look after yourselves. For those who are not well we hope you are much better soon so we can share our birthday celebrations with you, love Fay

"Car Rally"

Credit to Robyn & Winton for this one, first for only getting us lost once & the Car Rally it-self. Most informative with the hi-light being the Picnic lunch at the BUNYURGEN ESTATE VINEYARD.

David, the owner put on an informal talk on the area, his vineyard history of award winning easy drinking Shiraz Boutique wines & popular fortified reds (ports) made solely from grapes grown on the property. (plus what happened to his front teeth, not to sure what version to believe.) All-in-all the wine tasting was very nice but the Chocolate was over the moon, could have had heaps.

What a pleasant shady spot to have lunch. Great day out in the country with no one getting lost, even if the dogs did chase the chickens. Well the dogs liked it & it made the chooks run.

Thanks R & W.

Worthy of note.

The Irish food while green in colour still excited the taste buds. One can only wonder how our ladies keep coming up with such delicious food. Better than some of our bought food.

The jokes kept coming almost more than we had time for .

- What do you call a woman who knows where her husband is all the time? (A widow.)
- What do you get if you cross a parrot with a centipede? (A walkie –talkie?)
- What is the greatest mystery about man? (How they continue getting older yet remain so immature)

All in all a great feed , good fun with the best company.

Second Birthday

“ WE ARE TWO”

Dinner will be served.

We are asked to dress more to the formal side. (Which could be nice for a change!)

You will need to make sure you have that \$5.00 gift in a box marked
“MALE or FEMALE”

*Just buy a gift each.
IT WILL BE A GOOD NIGHT.*
