PRESIDENTS REPORT

It seems we were extremely fortunate not to have the rain interfere too much with our Woodford Rally. It was obvious to Barry and I when we arrived home that the Gold Coast had been inundated.

I think Sue organised an unforgettable rally with so much talent on display by lots of our members.

A big Thank You as well to the wonderful catering committee who are just always there when needed. Our club is unique with this and I for one would be very disappointed if the group was disbanded. We have a great time working together and producing some fine tucker for all.

As our third year comes to a close the club has demonstrated in many ways what a strong group we are. The friendship shown amongst our members is very heart warming and all that the founding members would have asked for.

Our birthday rally at Allora has been extended to Tuesday the 25th in the hope that some of our working members will be able to take a long weekend and stay on a little longer. As you will see by the programme, there is a lot to do in the area and Sue has been busy making sure we are not bored at night. The birthday dinner on the Saturday night is free to all members.

Just a reminder that our Annual Meeting will be held at the May rally and the Annual fees of \$50 per van are due by the end of April. You must be financial to vote at the annual meeting.

Looking forward to seeing you all at Allora.

To those who are not well, please get well soon so we can enjoy your company.

Cheers Fay

JABIRU MILESTONES

Dennis and Bonnie Williams	25 Rallies
Denis and Carolyn Healy	29 Rallies
Bill and Juliet Raymond	31 Rallies
Barry & Fay Sawtell	32 Rallies

These Milestones are significant achievements for our members Congratulations.

The Day went on with Cheese & Wine for Happy Hour.
 Followed soon after by the Big Event of the Rally Dinner with the “Jabiru’s Got Talent” Show.
 Everyone arrived dressed in their Finery.

Then Came “JABIRU’S GOT TALENT”

The Highlight of the Night was The Surprise Party for Aivars

Hi Everyone

Aivars was so chuffed at his surprise birthday bash. I was told how people were trying to cut him off at the pass, to try and delay him. (was this a rare occasion, he was not running late) Then oblivious to all the birthday signage, went and sat himself down: without realizing what it was all about.

It then had to be pointed out to Aivars that this was a surprise birthday party for him.

He was absolutely shocked and yes indeed SURPRISED Aivars had a great time on the night, especially with all the hidden talent, that showed up and entertain everyone.

We both appreciate the love and support shown to us by the members of this wonderful club.

I personally only now have another 5 months of treatment, getting closer to the light at the end of the tunnel.

So hopefully with no hiccups, Christmas will be treatment free; no more doctors and no more ##*** needles.

Thank you Thank you

LOVE AIVARS AND RHONDA
