CHRISTMAS IN JULY & DEC. "WELL OUR SANTA HAS A JEEP".

PRESIDENT. *Fay.*

What a wonderful club we have. Thank you all so much for your participation in our Christmas in July rally. Hope you all enjoyed it as much as Barry and I did. The year is rolling on quickly and before we know it we will be celebrating the real Christmas. In the meantime there is a lot of fun to be had. Kenilworth rally is a "Country" theme so get those gum boots on and enjoy yourselves. At this rally our quarterly general meeting will be held so please put forward any ideas you may have to make our club more and more successful. Thank you for all the donations to our club raffle for the State rally in September. There is still time to donate so bring anything you may have to Kenilworth. For those who are not well, please remember you are in our thoughts and wish you a speedy recovery so we can enjoy your company in the near future. Looking forward to seeing you all at Kenilworth, one of my favourite little towns with so much to offer. I know we won't have enough time to take advantage of it all. Love to all, Fay

One of the best. Thanks.

It was just so good to have had that hall. Well it was a cold wind.

OUR INVOLVEMENT GOT OFF TO A GOOD START. Its not called the "PIG" for nothing. I am sure some-one put more number ONE'S on the dice. Every time I rattled on those MUGS I am positive the dots got knocked off because all I could throw was that no-good number one. Well I lost didn't I. But it was good fun.

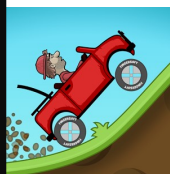

Glenys & Don, made our BOOK EXCHANGE look so inviting. A nice display and they looked after it as well. Book selection was wide with well know authors on the cover. Don had music CD for you. Its just a coin donation towards the Club. Please support this as it's a nice way to turn over books you have read.

Just bring along 5/6 books you have read, but more importantly take some home.

Thanks Glenys & Don. If you need help just ask.

The car pool road trip via the hill climb, long bridge, wood carvings ,odd house ,motor x cross track & butchery was great fun.

Right in the middle came Gail & Phil three yarns ,two songs and a run down on the area with no less than scones, jam, cream, pikelets, French fancy, tea or coffee. No one expected that. The route was planned to take us off the main roads & a chance to look at the view which was so good—360 deg over the Lake. Also to see what the local get up to with a chain saw. Marking was a big headache. The only thing that separated them was the drawing; O DEAR—SO SAD. Kiwi came out on top. We all got back safely & refreshed,

The hall & the kitchen came into its own for our "cook your favour SOUP night."

That just hit the spot (well it was cold.) Now, just think about this, pumpkin-cauliflower. Pea & ham mixed vege- potato mushroom & a few other , along with garlic bread & butter,

Dessert was apple pie custard/ ice cream. And how about Don yes Don volunteered to do the washing up. Make that man the permanent dish washer,as he did the best dish washing anyone could ask for.

THANKS Don please come again.

I understand the BEETLE GAME was a real success and a great win to our visitors, Hazel & Wayne. Nice to meet you & we look forward to your company at our next Rally at Kenilworth.

OK OK I am getting to the Saturday. Wasn't it good to see the Sun.

The ladies had a big cut-up making the B-4-U . DRIVE SIGNS (Make sure our members get one!)

Disc Bowls revealed the awesome power & skill we have. (Watch out for us you State rally mob.)

Fabulous. Yes just FAB, ! The dinner was a banquet. The work that went into that!

Followed by The Man in Red with gifts for all & didn't we have fun singing. I think it was singing !

SMILE A WHILE WEEK END AND IT WAS ALL OF THAT. THANKS F&B,

Man in RED keep that JEEP serviced. You will be needed in a few weeks. Please. ???
