Once again it was proven that a Jabiru certainly knows how to have fun.

I believe that everyone enjoyed the Bangalow setting & hospitality.

Well the rally had another marvellous turnout of 21 vans in total & with an LED of \$5372.00 & a Christmas Donation to the Smith Family of \$375.00 WOW!!!!!!

Great to see Steve & Grace Costello were inducted to become Jabirus'

PRESIDENTS REPORT

Our Bangalow Christmas Rally was a great success with 21 vans in attendance.

It was unfortunate that the McCormack's / Chesterfield's / Pitkin's / & the Hallen's had to cancel due to ill health, I wish them all a speedy recovery.

The Aland's & the Bruce's were also unable to make the Rally.

We inducted Steve & Grace Costello on Saturday morning after keeping them in suspense for 24 hours in anticipation of the initiation ceremony they would have to go through they accepted everything in good fun. Seriously we warmly welcome them to our Club.

I sincerely thank all the workers who made the Rally such a huge success as there were far too many people involved to mention individual names.

The storm on Saturday night didn't dampen our spirits or stop us from enjoying a great Christmas Dinner & entertainment in the hall.

Our January Rally will be at Kenilworth Showgrounds across the road from the cheese factory & they also have ice cream.

I hope to see you all there.

Russell.

Wuli is an innovative device to help deter theft and ensure your non-motorised vehicle is “where you left it”.

It works simply by entering a PIN into a remote, which then engages a locking mechanism and arms a 110 decibel alarm when suspicious movement is detected.

“We call it the lazy man’s wheel clamp with vocals.”

Mark & Cath Smeeton will be at the Kenilworth Showgrounds & spending the 17 & 18/01/2018 to showcase this product and answer any questions you may have.
