**Presidents Report. *Fay***

*Thank you one and all for such a fantastic weekend at Canungra. It is wonderful to see the club growing so strongly with such a great group. Everyone seems so keen to be involved in all the activities which makes it so rewarding for those who put so much effort into trying to make the weekends enjoyable.*

*It is great to see so many of our members are considering going to Stanthorpe for the State Rally as it is officially classed as our September Club Rally. It is good value at \$30 a night with seminars, craft and entertainment each night.*

*Two of our members Suzie B and Lyndell have kindly taken on the responsibility of organising our Fund Raising Stall. They need our help to make this successful. Lets get behind them and make the other clubs take note of what such a young club can achieve. If you have anything at all that's unused (unwanted gifts etc) please bring them along to the next rally. I know the girls will be able to do something with them. Thank you to those who have already done so.*

*Jam and sweets were very popular last year, so if you are talented in this way please let us know. We can supply ingredients etc. Winton and Robyn are very busy making craft items as well, but of course all the more the merrier.*

*Time is also running out to contribute to our raffle as well. We have a brazier which we wish to fill with wine and beer etc. If you can contribute to this in any way please bring it along to Kilcoy*

*Now for our Christmas in July rally. Please get into the spirit by wearing your best Christmas attire for our feast on the Saturday night. Don't forget to decorate your caravan as well. Once again Winton and Robyn are working on a fun filled weekend so don't miss it.*

*In the meantime those who are not well we hope you get better soon.*

*Travel safely,*

*Fay*

grandson. Gary said  
Prospective member!

### Joan is our Shirt & Jacket maker.

We are so lucky to have her, as we get items almost on demand with or without names & pockets. Cost effective.

The Jackets are great to wear in this weather, nice & warm.

While the visit to KODODA INTELLIGENCE MUSEUM was the tops, let's not overlook the fact we had a pleasant Thursday night in the hall at the Canungra Showground which was clean & well kept.

Friday we got off with the carpool to Sharp Park & surrounds. Kevin won the "Molkky"

Yes AGAIN! But it was good fun!

The war game Quiz from No 1 Spy to animals. Most people using Google big time to find the Answers!

Interesting if you so chose. Learning curve?

The RSL. Put on a meal to cover most people's wants. Our host Vicky & her team made it an enjoyable night, & we did have a win or two from the Trivia. Then back to the open fires thanks to the fire bugs.

Winton's outside visitors Solar man Spence & Lithum Battery man Greg must have set off great interest judging by the number of questions from the floor. Would have been better during the day, we could have had Greg or Spence look at individual situations. Next time.

Saturday's dinner was just the tops, pumpkin, cabbage, potatoes, corned beef & sauce, followed by apple crumble, custard & ice cream. JUST YUM!

Winton's finding out all you didn't know things. As for me I had no idea what some of the things were used for. It was interesting.

Well done Winton.

"On the afternoon of the opening day of the

Caravanning, Camping & RV Show, John & I fronted up to do our stint at the CCQ stand.

The president of the CCQ was the committee member on duty.

We were kept relatively busy throughout the afternoon, but most one-on-one interactions went in bursts and starts.

We, fortunately, were able to use a well laid out information sheet, setting out all caravan etc. clubs in Queensland

1. Amazingly, to us anyway, many couples admitted that they didn't use their caravans enough throughout the year, but would like to.

2. Many people were unaware of clubs, and

3. Many had no idea that there were clubs in/near their residential areas; eg Townsville, Hervey Bay, Sunshine Coast and Brisbane.etc etc.

We know that some folk took notice of our proposal that they phone the secretary of a club of their choice, because we had one couple to whom we spoke come to our next rally, and they assured us that "our pitch" to come caravanning more often was all the fun we said it would be".
