## PRESIDENTS REPORT

Killarney was the venue for the Club's 4<sup>th</sup> Birthday & a new venue for us with a very good attendance. However there were a few changes as we did not park in the Showgrounds as originally planned due to earth works. Thanks to Jan from the Show society who arranged for us to use the Recreation grounds opposite so everything went ahead.

The Slide Show of photos from Rallies of years gone by that was prepared by Wayne & presented by Kevan was enjoyed by everyone, many thanks to you both.

The Friday Dinner the local Show Society ladies put on for us was enjoyed by all.

Saturday Morning after a visit to the local markets Mal led us on a tag along suggested by Barry up to Queen Mary Falls for morning tea then headed up to Carr's lookout to soak up the views then down the range to return to Killarney via the Condamine Gorge Road also called the Head having to cross 14 creek crossings all with fast flowing water, this I think was the highlight of the Rally thanks to Barry & Mal

The next Rally is at Ivory's Rock Convention Centre & also our AGM where a new committee will be elected.

I request that everyone brings a bag of wood to the next rally so the Camp oven cooking can be a success. To put it bluntly NO WOOD NO DINNER. Also if anyone has surplus camp oven's would you mind bringing them along as I am not sure how many members have Camp oven's.

Cheers

Russell.

## FACEBOOK

For those of my generation who do not, and cannot, comprehend why Facebook exists.

I am trying to make friends outside of

Facebook while applying the same principles. Therefore, every day I walk down the street and tell passersby what I have eaten, how I'm feeling at the moment, what I have done the night before, what I will do later and with whom.

I give them pictures of my family, my dog, of me gardening, golfing and taking things

apart in the garage, watering the lawn, standing in front of landmarks, driving around town, having lunch, and doing what everybody does every day.

I also listen to their conversations, give them the "thumbs up" and tell them, "I like them."

And, it works... Just like Facebook.... I already have four people following me. ..

Two police officers, a private investigator and a psychiatrist...

## Off to Killarney for May

Friday we headed off for the Tagalong through Tannymorel then up to Gambubal Rd into the Forests Dirt Roads & some magnificent views.

What a scenic part of the country moving from the endless farmland to the mountains in only a couple of kilometres a real gem I can't wait for tomorrow's drive along the Cambanoora Gorge. First we're off up another track to Mal' old Family Property in the mountains behind Emu Vale.
