PRESIDENT'S REPORT -

Ivory's Rock Rally was a Rally with a difference 15 vans attended that was a pretty good roll up considering the rules & regulations they set down. Wednesday afternoon Amanda who I had all the dealings with came around to meet us she was very pleasant & I must say all the working staff were very helpful.

Saturday we had our AGM & some more of our members arrived for the meeting. We now have a new committee. I welcome all the new members to the committee & very sincerely thank the outgoing committee for their work & support in the past year. I must thank everyone that worked to provide the BBQ lunch after the AGM.

What a great venue, such a peaceful relaxing site with great amenities & a great fire pit. Thanks to everyone for providing all the firewood, Gary did an excellent job of making sure the fire didn't go out & made sure that no wood had to be taken home. The camp oven cooking was a great success.

Thursday night we went to the Peak Pub for a nice meal then Friday morning we did a tag along trip around the Ivory's Rock conference centre then up to Flinders Plum, a lovely spot for our picnic lunch, some of us walked up to the lookout while others were happy to relax & soak up the atmosphere.

Our June Rally is back to Standown Park where we were last June. I am sure everyone will enjoy this venue.

See you all there

Russell
