**President Fay:**

Once again, a great big thank you to Don and Glenys and Carolyn and Denis for putting so much effort into making Lawnton such a wonderful rally.

We certainly showed over the weekend how much we care for each other as a club. Besides everyone offering to help Arlene with Ted there were lots of other little kindnesses shown. I know for example Gary emptied Bill’s cassette throughout the rally as Bill cannot lift too much after his operation and another act of kindness I saw was Kevan offering Carolyn and Denis his fan overnight as their air-conditioning had broken down. It was very much appreciated.

Barry found it so much easier this rally with the BBQ as so many offered Webers etc. by the men and their help cooking while the ladies did a marvellous job of the kitchen. Its all about sharing the workload and as the club grows it is more and more important.

At the Royal Hotel Harrisville we will have a couple of occasions to celebrate. First of all St. Patrick’s Day and secondly Easter. Please read the newsletter to see what Robyn and Winton have in stall. I can tell you that Thursday night will be a shared St. Patrick’s Dinner and I’ll email you in plenty of time to let you know what to bring for this. The first obvious choice will be Irish stew but there will be some bringing desserts as well. As a raffle this time we will be putting together an Easter basket so contributions towards this would be greatly appreciated. Robyn will have a basket there for us to fill. We hope to sell some tickets to the hotel patrons as well.

Please come along and enjoy each others company.

In the meantime please look after yourselves and keep well. Our thoughts go to Ted as he improves after his fall and to all other members who are not well.

See you all at Harrisville, love Fay

**Mike:** This man made our Thursday night. He might have been keen to sell us his book “Australia Free” which was good when you look at it & at a kind price too.

His stories about his travels, Bus—Tour companies—Bungy Jumping & the like. How mean can you be to visiting people from the East. Its not their fault they not very tall, or did he say short??

Removing the Keys from the rubber bands by just moving your fingers up & down. Most interesting. But the roll the $20 & $ 50 note was very intriguing.

Thanks Mike most interesting. Like the bit about the INFO Ladies. www.australiafree.com.au

ANTENNA & SATELLITE MAN DEEN OF ACCESS 2 QLD, was able to put his products forward. With a keen interest shown out side while we all played in finding how it worked.

With our third visitor, Awning man Bob who went round most of the Vans. With great help to Brian & Barry who did not fair well after the very high winds. Hope things work out for you both now!

- 3 cups boiling water
- 3 beef stock cubes, crumbled
- 1 cup flat-leaf parsley leaves, chopped
- 1/4 cup mint leaves, chopped, to serve

Method

1. Cut chops in half. Place flour in a plastic bag and season with salt and pepper. Place chops in bag and shake well to coat. Transfer chops to a plate. Reserve flour.

The council’s Community Facilities manager Michael Bell told the newspaper that the dump point was becoming more of an issue with more travellers using the site, and he said the system was not large enough to cope.

“Council can either provide a larger tank, which will require both capital budget allocation and ongoing operation cost or we close the system” The said “The risk of closing the system is that travellers may just discharge the waste down the toilet, which is what previously occurred”

What should Southern Downs Regional Council be doing if this is an ongoing problem?
