PRESIDENTS REPORT

Congratulations to the new members on the committee and a great big THANK YOU to those retiring. I hope you all enjoyed your time at Redcliffe as Winton and Robyn put a great deal of effort into their last rally as activities co-ordinators.

Please support Sue and Barry at Canungra in June as they settle into the most difficult position on the committee which is trying to find new and interesting ideas to entertain us at each rally.

Our venue calendar is filling up for next year but we still have some months that have not been booked. The committee would appreciate any ideas you may have. I'm sure we have all been to a campsite not too far away that could be recommended. Don't be afraid to pass it by us. I can assure you it will be checked out.

At the general meeting, quite a few members had top ideas for in-between rally activities. Please put these into an email and send to Arlene, our new secretary and we will discuss them at the next committee meeting.

I will be thinking of you all while you are at Canungra, one of my favourite spots and look forward to seeing all at Kilkivan Bush Camp. Watch out, I will probably have about 2000 photos to bore you with.

By the way, Kilkivan gives the 4th night FREE. Something to keep in mind.

To all who are under the weather, please get well soon.

We miss you.

Love, Fay

SECRETARY'S CORNER

Thank you all for welcoming me to the committee of Jabiru. I am sure that with your help and support we can keep this wonderful club rolling along and continue to be the fun club that it is.

Firstly I would like to say a big thank you to Juliet for keeping such good records that I have been able to just continue and have faith in what has been done before. It is my intention to have this little corner of the newsletter to keep you up to date with information. If you know of anything that I may need to know or if you have any questions please give me a call or send an email. I have an answering machine on my landline for messages and I will always give you a call back as soon as I can.

You will notice in this newsletter that there have been changes to committee member's details. Also please note that there is now an email address for the club which is jabirucaravanrvclub@gmail.com. I would prefer you to use this email address for club matters.

The first thing that I want to attend to is the update of member's details for the Friendship List. I will be reprinting this in September so please check that your details are correct and always advise me if any changes take place. Also if there are any additions or alterations between issues I will advise you through the newsletter so that you can make changes to your copy.

Looking forward to an harmonious year

Cheers Arlene
