President's Report

What a talented club we are. Such beautiful singing was heard over the weekend but I feel the best was on the bus after a wine or two at Imbil Bowls Club. I really do think we should form a choir. Any takers?

Thank you to all contributing to a wonderful, friendly weekend. I hope you all enjoyed our first "freedom camp". Kandanga made us very welcome and it is great when they tell us we are welcome back any time we like.

Thank you to Rhonda, and her assistant Joan, for babysitting our furry friends and making it possible for so many to join in on the bus trip. All the doggy owners are very grateful.

Next month we go to Maleny so make it a date. It is such a great town with so much offering I don't know where to start. I found an award winning gelato and ice cream shop when I visited recently and it would have to be the best IGA of any country town. The main street has an interesting mix of retailers to say the least. There is a market on every Sunday at the RSL Club and on the weekend we are there, a farmers market is held at Witta near Maleny. Amongst all that we have lots of activities. It will be a busy weekend. Don't miss it.

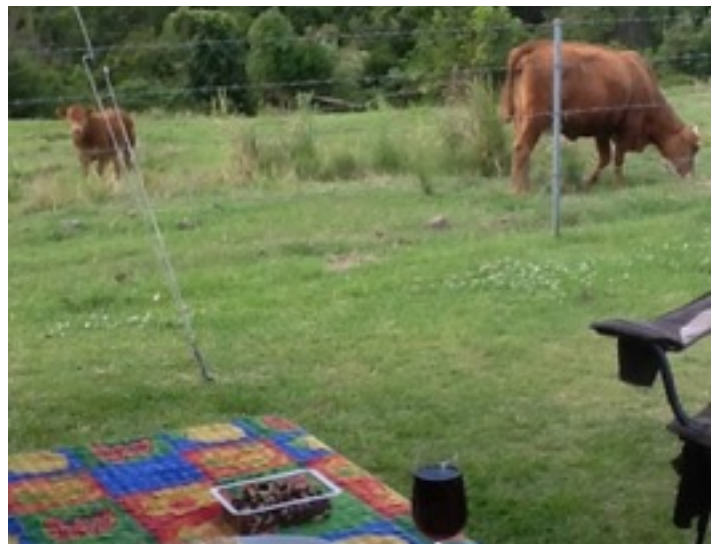

We will be having our Quarterly General Meeting on the Saturday, so if there is anything you wish to discuss please let Juliet know so that it can be added to the agenda. Remember it's your club and your input is needed for us to grow.

For those who are not well, I hope you are feeling on top of the world soon so we can enjoy your company next month,

Love to all,

Fay

So nice to sit and watch the cows at Kandanga. and yes there are **YOWIES** in the Kandanga Hills. A lot of us heard them through the night and no, it had nothing to do with our nightcap of **PORT!!!**

The usual format of our newsletter has changed a little this month as our wonderful editor Bill and Secretary Juliet are visiting family in New Zealand. Looking at these photos, I am sure they are having a fabulous time getting to know their beautiful curly headed grandson, Carlos. Hurry back please Bill, I can't wait to hand this back to you, Lyndell

Like the knees, back, eyes, ears and whatever else but one thing, we can still have fun!!!

This sounds like you Fay?

Yes ladies, up that music, practice our singing, especially "Put Another Log on the Fire" and enjoy a tippie or two. Maybe we can create a "Jabiru Cocktail", come on put your thinking caps on and see what we can come up with!!!
